

Cumulative Author Index

All authors of papers published in this volume are listed alphabetically. Full titles are included in each first author's entry. For Rapid Communications an R precedes the page number. The letters (C) and (BR) following the page number indicate that a paper is a Comment or a Brief Report, respectively. References with (E) are to Errata.

- Abdallah, M., S. Kravis, C. L. Cocke, Y. Wang, V. D. Rodriguez, and M. Stöckli** — Velocity-space pictures of continuum electrons produced by slow, bare, highly charged ions. A 56, 2000
