A figure was deleted and all other figures were modified slightly at proof stage. Unfortunately, the following errors were printed in the final version: (1) The correct Fig. 11 is missing. (2) The correct Fig. 12 is presented as Fig. 11. (3) The correct Fig. 13 is presented as Fig. 12. (4) The same Fig. 13 appears twice (once as Fig. 12 and once as Fig. 13). To rectify these errors the entire article is reprinted, following this erratum, with the figures presented correctly. In addition, the abscissa scale in Fig. 6 has been changed, due to an error in the original article.
