The original paper contains several typographical errors which are as follows: (1) On the right-hand side of Eqs. (40), (43), (44), and (46) and on the left-hand side of Eqs. (58)–(60), $\{\dots, \dots\}$ should be replaced by $[\dots, \dots]$. (2) In Eqs. (A3) and (A5), the Liouvillian superoperator $\mathcal{L}(t)$ should be replaced by $\mathcal{L}_0(t)$. (3) Eq. (A14) should read $\hat{\mathcal{J}}_S(t|g) = \text{Tr}_R[\hat{\mathcal{L}}_{SR}(t)\hat{\mathcal{G}}_P(t, t_0|g)(1 - \mathcal{P})W]$. (4) In the second equality of Eq. (B1), $e^{-\mathcal{L}_0(t-\tau)}$ and $e^{\mathcal{L}_0(t-\tau)}$ should be replaced by $e^{-\mathcal{L}_0(t-t_0)}$ and $e^{\mathcal{L}_0(\tau-t_0)}$, respectively.
