

Cumulative Author Index

All authors of papers published so far in the current volume are listed alphabetically with the issue and page numbers following the dash. A more complete index, with the full title and authors listed with each first author's name, is published in the last issue of the volume. A cumulative author and subject index covering **Physical Review A** through **E** and **Physical Review Letters** is published annually under separate cover.

-
- Aarão Reis, F. D. A.—~14! R9616
 Abbade, M. L. F.—~16! 11 360
