**Manuscripts** for publication should be submitted to the Editorial Office in triplicate. Information for contributors may be found in the January and July issues. Submission is a representation that the manuscript has not been published previously and is not currently under consideration for publication elsewhere. A signed APS **copyright-transfer** form (to take effect upon publication) must be provided, and should be included with the submission. The copyright-transfer form appears at the end of the 25 March 1996 issue of *Physical Review Letters* and is available from the Editorial Office (or via ftp to aps.org).

**To support** wide dissemination of research results through publication, the authors' institutions are requested to pay a publication charge of \$65 per page plus a \$65 abstract charge. For properly prepared electronic submissions (REVTeX or LaTeX format), the request is \$50 per page plus a \$50 abstract charge. Reprints are offered for sale to authors.

**Subscription prices** (table below) for **nonmember subscribers** are for the period of January–December 1996. Back-number price: Single copies, \$90.
