PRINTED IN USA

An **online version** of *Physical Review B* is available, as is a separate online version of the *Rapid Communications* with enhanced features. See our Web server for information, or inquire at assocpub@aps.org. **Manuscripts** for publication should be submitted to the Editorial Office in triplicate. Information for contributors may be found in the January and July issues of *Physical Review B.* Submission is a representation that the manuscript has not been published previously and is not currently under consideration for publication elsewhere. A signed APS **copyright-transfer** form (to take effect upon publication) must be provided, and should be included with the submission. The copyright-transfer form appears at the end of the 26 May 1997 issue of *Physical Review Letters* and is available on our Web server, via ftp to aps.org, or on request from the Editorial Office.

To support wide dissemination of research results through publication, the authors' institutions are requested to pay a publication charge of $70 per page plus a $70 abstract charge. For properly prepared electronic submissions, the request is $35 per page plus a $35 abstract charge. Acceptable formats are REVTeX (preferred), LaTeX, Harvmac, Plain TeX; PostScript figures. Reprints are offered for sale to authors.

Current **subscription prices** for American Physical Society members are given in the table below. The subscription period covers the 12 months following initiation of the subscription. **Member subscriptions are for personal use only.** Back-number price: Single copies, $95.

Permission to quote excerpts or to reprint any figures or tables should be obtained directly from an author. The American Physical Society for its part hereby grants permission to quote excerpts and reprint up to 25 figures and/or tables from its journals with acknowledgment of the sources. Requests for permission to reprint in one publication more than 25 figures and/or tables from the totality of APS journals must be made in writing to the Associate Publisher (see address below). A $10.00 fee per figure and/or table in excess of 25 will be charged.
Individual teachers, students, researchers, and libraries in nonprofit institutions acting for them are permitted to make hard copies of articles for use in teaching or research, provided such copies are not sold.
Copying of articles for sale by document delivery services or suppliers, or beyond the free copying allowed above, is permitted against payment of a copying fee. The current copying fee is $10.00, per article, per copy. Express permission of APS is not required, except for purposes stated below, provided that the fee is paid through the Copyright Clearance Center, Inc. (CCC), 222 Rosewood Drive, Danvers, MA 01923. Contact the CCC for information on how to report copying and remit payments.
Reproduction in a reprint collection, or for advertising or promotional purposes, or republication in any form requires permission of one of the authors and a license from APS. Such a license must be sought from Mina Chung, Associate Publisher, The American Physical Society, One Physics Ellipse, College Park, MD 20740-3844. Permission from the author must be sought and obtained from him or her directly.
