This manuscript was published online on 21 January 2020, with typographic errors in Eq. (1) and the Acknowledgments. Equation (1) should read

$$\frac{d^2\varphi_i}{dt^2} - \frac{\varphi_{i+1} - 2\varphi_i + \varphi_{i-1}}{a^2} + \sin\varphi_i + \alpha\frac{d\varphi_i}{dt} = I + A\sin(\omega t). \quad (1)$$

Since all calculations were performed using the correct equation, this error has no effect on the presented results.

The second sentence in the Acknowledgments should read as follows:

This work was supported by a grant of the fund for developing theoretical physics and mathematics “Basis.”
