This paper was published online on 1 September 2015 with conversion errors on pages 2 and 4. On page 2, the section heading should read as “III. Results and Discussions.” On page 4, left-hand column, the first sentence of the last paragraph should read as “It is also worth noting, in passing, that the microscopic defects on the C₆₀ single-crystal surface . . . .” The paper has been corrected as of 23 September 2015. The text is correct in the printed version of the journal.
