Manuscripts for publication should be submitted in duplicate to the Editor, *Physical Review*, Brookhaven National Laboratory, Upton, N. Y. 11973. Submission is a representation that the manuscript has not been published previously nor is it currently under consideration for publication elsewhere. The manuscript should be accompanied by a statement transferring copyright to APS. This written transfer of copyright, which previously was assumed to be implicit in the act of submitting a manuscript, is needed under the new (1978) U.S. copyright law. Requests for information or exceptions should be addressed to the Executive Secretary, The American Physical Society.

To support the cost of wide dissemination of research results through publication of journal pages, the authors' institutions are requested to pay a publication charge of $70 per page, which, if honored, entitles them to 100 free reprints. Nonpayment of the publication charge may lead to delays in publication. An additional $15 per article is requested for advance publication of the abstract in *Physical Review Abstracts.*

Subscription prices (table below) for American Physical Society members only are for the fiscal year July 1, 1978–June 30, 1979. The prices in parentheses are nonmember subscription prices (January–December 1978). Domestic subscription rates apply to U.S. & Possessions, Canada, and Mexico. Back-number price: Single copies, $7.00.
