Manuscripts for publication should be submitted in triplicate to the Editors, *Physical Review*, 1 Research Road, Box 1000, Ridge, N. Y. 11961. Information for contributors may be found in the first issue of each volume. Submission is a representation that the manuscript has not been published previously nor is it currently under consideration for publication elsewhere. The manuscript should be accompanied by a statement transferring copyright to APS. Requests for information or exceptions should be addressed to the Executive Secretary, The American Physical Society.

To support the cost of wide dissemination of research results through publication of journal pages, the authors' institutions are requested to pay a publication charge of \$85 per page, which, if honored, entitles them to 100 free reprints. Nonpayment of the publication charge leads to delays in publication. An additional \$20 per article is requested for advance publication of the abstract in *Physical Review Abstracts*.

Subscription prices (table below) for American Physical Society members only are for the fiscal year July 1, 1981-June 30, 1982. The prices in parentheses are nonmember subscription prices (January-December 1981). Domestic subscription rates apply to U. S. & Possessions. Back-number price: Single copies, \$12.
