Manuscripts for publication should be submitted to the Editorial Office in triplicate. Information for contributors may be found in the first issue of each volume. Submission is a representation that the manuscript has not been published previously and is not currently under consideration for publication elsewhere. The manuscript should be accompanied by a statement transferring copyright to APS. A transfer form may be found in the 4 October 1982 issue of *Physical Review Letters*.

To support the cost of wide dissemination of research results through publication of journal pages, the authors' institutions are requested to pay a publication charge of $85 per page, which, if honored, entitles them to 100 free reprints. Nonpayment of the publication charge may lead to delays in publication. An additional $20 per article is requested to support advance publication of the abstract in *Physical Review Abstracts*.

Address all correspondence regarding manuscripts to the Editorial Office until the manuscript is accepted for publication. Address correspondence regarding accepted manuscripts, proofs, and reprints to the American Institute of Physics.
