A signed APS **copyright-transfer** form (effective only on acceptance for publication) must be provided; the form appears at the end of the 7 June 1999 issue of *Physical Review Letters* and is available on the APS World Wide Web server. Information for contributors may be found on the APS Web server or in the January and July issues.

To support wide dissemination of research results, we request payment of a publication charge of $80 per page plus an $80 abstract charge. For properly prepared electronic submissions, no payment of charges is requested. Acceptable formats are REVTeX (preferred), LaTeX, Harvmac, plain TeX; PostScript figures. **Reprints** are offered for sale to authors.

**Permission** to quote excerpts or to reprint any figures or tables should be obtained directly from an author. The American Physical Society for its part hereby grants permission to quote excerpts and reprint up to 25 figures and/or tables from its journals with acknowledgment of the sources. Requests for permission to reprint in one publication more than 25 figures and/or tables from the totality of APS journals must be made in writing to the Associate Publisher (see address below). A $10.00 fee per figure and/or table in excess of 25 will be charged. **Individual** teachers, students, researchers, and libraries in nonprofit institutions acting for them are permitted to make hard copies of articles for use in teaching or research, provided such copies are not sold. **Copying of articles for sale** by document delivery services or suppliers, or beyond the free copying allowed above, is permitted against payment of a copying fee. The current copying fee is $15.00, per article, per copy. Express permission of APS is not required, except for purposes stated below, provided that the fee is paid through the Copyright Clearance Center, Inc. (CCC), 222 Rosewood Drive, Danvers, MA 01923. Contact the CCC for information on how to report copying and remit payments. **Reproduction** in a reprint collection, or for advertising or promotional purposes, or republication in any form requires permission of one of the authors and a license from APS. Such a license must be sought from Mina Chung, Associate Publisher, The American Physical Society, One Physics Ellipse, College Park, MD 20740-3844 (assocpub@aps.org). Permission from the author must be sought and obtained from him or her directly.
