An **online version** of the journal is available. See our Web server for information, or inquire at assocpub@aps.org. **Manuscripts** for publication should be submitted to the Editorial Office in triplicate. Information for contributors may be found in the January and July issues. Submission is a representation that the manuscript has not been published previously and is not currently under consideration for publication elsewhere. A signed APS **copyright-transfer** form (to take effect upon publication) must be provided, and should be included with the submission. The copyright-transfer form appears at the end of the 26 May 1997 issue of *Physical Review Letters* and is available on our Web server, via ftp to aps.org, or on request from the Editorial Office.

To support wide dissemination of research results through publication, the authors' institutions are requested to pay a publication charge of \$70 per page plus a \$70 abstract charge. For properly prepared electronic submissions [REVTeX (preferred), LaTeX, Harvmac, or Plain TeX format; PostScript figures], no payment of charges is requested. Reprints are offered for sale to authors.

Subscription prices (table below) for **nonmember subscribers** are for the period January–December 1997. Back-number price: Single copies, \$100.
