An **online version** of the journal is available. See our Web server for information, or inquire at [assocpub@aps.org](mailto:assocpub@aps.org). **Manuscripts** for publication should be submitted to the Editorial Office in triplicate. Information for contributors may be found in the January and July issues. Submission is a representation that the manuscript has not been published previously and is not currently under consideration for publication elsewhere. A signed APS **copyright-transfer** form (to take effect upon publication) must be provided, and should be included with the submission. The copyright-transfer form appears at the end of the 26 May 1997 issue of *Physical Review Letters* and is available on our Web server, via ftp to [aps.org](http://aps.org), or on request from the Editorial Office.

**To support** wide dissemination of research results through publication, the authors' institutions are requested to pay a publication charge of \$70 per page plus a \$70 abstract charge. For properly prepared electronic submissions [REVTeX (preferred), LaTeX, Harvmac, or Plain TeX format; PostScript figures], no payment of charges is requested. Reprints are offered for sale to authors.

**Subscription prices** (table below) for **nonmember subscribers** are for the period January–December 1997. Back-number price: Single copies, \$100.
