Erratum: The big bang in the Tolman models

Kayll Lake

Equation (7) should read
\[ 4\pi \sigma = \frac{1}{R} \left[ f + \frac{2m}{R} + \frac{\Lambda R^2}{3} \right]^{1/2} - \sqrt{f} \],
and the term \(-u'u'k_e/8\pi\) should be added to Eqs. (8) and (9).

Erratum: Geometry of the spin-\(\frac{1}{2}\) particle in \(N = 3\) supergravity

Moustafa Awada

On p. 2197, in Eq. (4.6) include the following two terms in the long expression in bold parentheses:
\[ + \frac{1}{2} (D_{ef} f^{ij} \wedge \theta^a - f_{ij} f^{ij} \psi^a \wedge C \gamma^a \psi_f) \wedge \theta^b \wedge \theta^c \wedge \theta^d e_{abcd} \]
\[ + \frac{1}{4} f_{ef} f^{ij} T^e \wedge \theta^b \wedge \theta^c \wedge \theta^d e_{abcd} . \]
