This paper was published online on 10 November 2006 with a formatting error in Eq. (10) and a typographical error in the caption of Fig. 8. The instances of $c_w$ and $c_x$ should be in the denominator with the 2 and 3, respectively, not as subscripts to them. The caption of Fig. 8 should read as “...in the $\mu$-model via intermediate pseudoaxion with...” The paper has been corrected as of 20 November 2006. The text is correct in the printed version of the journal.
