This paper was published online on 15 August 2012 with errors in Eqs. (2.14) and (4.18). Eq. (2.14) should read as “\(\Delta m = -2\pi q^2 G_{\text{reg}}(x, x) = -2\pi q^2 \langle \phi^2 \rangle_{\text{ren}}\).” Equation (4.18) should read as “\(\Delta m = \frac{q^2}{\mu^2} R\).” The equations have been corrected as of 22 August 2012. The equations are correct in the printed version of the journal.
