

**Retraction: Schwinger-Keldysh formulation of electromagnetic
leptogenesis in an EFT framework
[Phys. Rev. D 113, 123544 (2026)]**

Rin Takada 

(Received 16 July 2026; published 13 August 2026)

DOI: [10.1103/frpk-5bby](https://doi.org/10.1103/frpk-5bby)

The author retracts the article because technical errors identified after publication affect the central derivation and quantitative results. Correcting them would require substantial changes beyond the scope of an Erratum. The published derivation and quantitative results should therefore not be relied upon.
