Manuscripts for publication should be submitted to the Editorial Office (please provide four copies). Information for contributors may be found in the January and July issues. Submission is a representation that the manuscript has not been published previously and is not currently under consideration for publication elsewhere. A signed APS **copyright-transfer** form (to take effect upon publication) must be provided, and should be included with the submission. The copyright-transfer form appears at the end of the 25 March 1996 issue of *Physical Review Letters* and is available from the Editorial Office (or via ftp to aps.org).

To support wide dissemination of research results through publication of journal pages, the authors' institutions are requested to pay a publication charge of \$65 per page plus a \$65 abstract charge. For properly prepared electronic submissions (REVTeX or LaTeX format), the request is \$50 per page plus a \$50 abstract charge. Reprints are offered for sale to authors.

Subscription prices (table below) for **nonmember subscribers** are for the period of January–December 1996. Back-number price: Single copies, \$105.
