Cumulative Author Index

All authors of papers published so far in the current volume are listed alphabetically with the issue and page numbers following the dash. A more complete index, with the full title listed with each first author's name and subsequent authors cross-referenced, is published in the last issue of the volume. A cumulative author and subject index covering **Physical Review A** *through* **E, Physical Review Letters,** *and* **Reviews of Modern Physics** *is published annually under separate cover.*
