COLOR ILLUSTRATION AUTHORIZATION FORM

Color illustrations in print should be used only in cases where there is a clear need. [Authors are reminded that Color Figures Online Only is an available feature of the *Physical Review* and *Physical Review Letters*. For information, see `http://authors.aps.org/esubs/guidelines.html#fileformat`, under "Figure Submission for Color Online Only".] Authors who wish to avail themselves of the option to publish color illustrations in print should also provide high quality glossy prints, which should be close to the final size expected for publication. (Negatives are not acceptable.) Artwork must be flexible. In some cases, printing requirements will prevent figures from being located in the most preferred position.

The cost of printing illustrations in color must be borne in full by the respective authors and their institutions. The price schedule for both *Physical Review* and *Physical Review Letters* is as follows:

No. of pages with color	Total cost
1	US$1025+$175/figure
2	1495+$175/figure
3	1740+$175/figure

5	2080+$175/figure
6	2245+$175/figure
7	2415+$175/figure

NOTE - These charges are *in addition* to the normal page charges, where applicable.
