Letters intended for this Journal must be short and self-contained. A description of editorial Policies and Practices is published annually in the first July issue. Instructions for manuscript preparation are given in the Information for Contributors published in the first issue of each volume and available on our Web server. Rules pertaining to allowed length and memos regarding production requirements appear at the end of some issues of the Journal.

Manuscripts may be **submitted** electronically if in appropriate format (see http://publish.aps.org/ESUB/ or inquire at prltex@aps.org). Alternatively, send four copies to the Editorial Office. Submission is a representation that the manuscript has not been published previously and is not currently under consideration for publication elsewhere. Authors should provide indexing codes according to the PACS scheme (available on our Web server, via ftp to aps.org in the /pub/pacs directory, and in print from the Editorial Office). A signed APS **copyright-transfer** form (effective only on acceptance for publication) must be provided; the form is available on our Web server and appears at the end of the 11 December 2000 issue of *Physical Review Letters*. To help defray editorial and production expenses, authors of published Letters are requested to pay a **publication charge** of $550 ($200 for a Comment or Reply). Requested charges are lower ($450 for a Letter, $155 for a Comment or Reply) for properly prepared electronic submissions. Acceptable formats are REVTeX (preferred), LaTeX, Harvmac, Plain TeX; PostScript figures. **Reprints** are offered for sale to authors.

For information about **subscription prices** and about the **online version** of the journal, see our Web server, or inquire at assocpub@aps.org. **Member** inquiries regarding **subscriptions**, renewals, address changes, missing or damaged copies, microfilm, and single-copy orders should be addressed to the APS Membership Department. **Nonmembers** should address subscription inquiries to APS Subscription Services. For address changes please send both old and new addresses, and if possible, include an address stencil imprint from the mailing wrapper of a recent issue; allow six weeks advance notice. The general subscription price is $2495 (nonmember, U.S. and possessions, January-December 2001).
