Letters intended for this journal must be short and self-contained. A description of editorial Policies and Practices is published in the first January and July issues and can be found on our Web server. Instructions for manuscript preparation are given in the Information for Contributors published in the first issue of each volume and available on our Web server. Rules pertaining to allowed length and memos regarding production requirements appear at the end of some issues of the journal.

Manuscripts should be **submitted** electronically in acceptable format (see `http://authors.aps.org/esubs/` or inquire at prltex@aps.org). If this is not possible, send four copies to the Editorial Office. Submission is a representation that the manuscript has not been published previously and is not currently under consideration for publication elsewhere. Authors should provide indexing codes according to the PACS scheme (available at `http://authors.aps.org/PACS/`). An executed APS **copyright-transfer** form (effective only on acceptance for publication) must be provided; the form is available on our Web server and appears at the end of the 12 November 2004 issue of *Physical Review Letters*. To help defray editorial and production expenses, authors of published Letters are expected to pay a **publication charge** of $675 ($245 for a Comment or Reply). Charges are lower ($550 for a Letter, $195 for a Comment or Reply) for properly prepared electronic submissions. Acceptable formats are REVTEX (preferred), LATEX, plain TEX, MS Word; PostScript figures. **Reprints** are offered for sale to authors.

For information about **subscription prices** and about the **online version** of the journal, see our Web server, or inquire at assocpub@aps.org. **Member** inquiries regarding **subscriptions**, renewals, address changes, missing or damaged copies, microfilm, and single-copy orders should be addressed to the APS Membership Department. **Institutional subscribers** should address subscription inquiries to APS Subscription Services. For address changes please send both old and new addresses, and if possible, send the mailing label from a recent issue.
