

# PHYSICAL REVIEW LETTERS

*Providing rapid publication of short reports of important fundamental research, with coverage of major advances in all aspects of physics and of developments with significant consequences across subdisciplines.*

| Editors                                                                                                                                                                         | Editorial Board (Divisional Associate Editors)                                                                                                                                                                                                                                                                                                                                                                                                                      | The American Physical Society                                                                                                                                                                                                                                                                                                                                       |

**Letters** intended for this journal must be short and self-contained. A description of editorial Policies and Practices is published in the first January and July issues and can be found on our Web server. Instructions for manuscript preparation are given in the Information for Contributors published in the first issue of each volume and available on our Web server. Rules pertaining to allowed length and memos regarding production requirements appear at the end of some issues of the journal.

**Manuscripts** should be **submitted** electronically in acceptable format (see <http://authors.aps.org/ESUB/> or inquire at [prltex@aps.org](mailto:prltex@aps.org)). If this is not possible, send one copy to the Editorial Office. Submission is a representation that the manuscript has not been published previously and is not currently under consideration for publication elsewhere. Authors should provide indexing codes according to the PACS scheme (available at <http://publish.aps.org/PACS/>). An executed **APS copyright-transfer** form (effective only on acceptance for publication) must be provided; the form is available via our Web submission server and via <http://authors.aps.org/>. To help defray editorial and production expenses, authors of published Letters are expected to pay a **publication charge** of \$730 (\$265 for a Comment or Reply). Charges are lower (\$590 for a Letter, \$210 for a Comment or Reply) for properly prepared electronic submissions. Acceptable formats are REV<sub>TEX</sub> (preferred), L<sup>A</sup>T<sub>E</sub>X, plain T<sub>E</sub>X, MS Word; PostScript figures. **Reprints** are offered for sale to authors.

For information about **subscription prices** and about the **online version** of the journal, see our Web server, or inquire at [assocpub@aps.org](mailto:assocpub@aps.org). **Member** inquiries regarding **subscriptions**, renewals, address changes, missing or damaged copies, and single-copy orders should be addressed to the APS Membership Department. **Institutional subscribers** should address subscription inquiries to APS Subscription Services. For address changes please send both old and new addresses, and if possible, send the mailing label from a recent issue.

**Rights and Permissions:** See <http://forms.aps.org/author/copyfaq.html>.

**Copying:** No part of this publication may be reproduced, stored in a retrieval system or transmitted in any form or by any means, electronic, mechanical, photocopying, recording or otherwise, without the written permission of the publisher, except as stated below. Single copies of individual articles may be made for private use or research. Authorization is given to copy articles beyond the use permitted by Sections 107 and 108 of the U.S. Copyright Law, provided the copying fee of \$25.00 per copy per article is paid to the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923, USA.

**Reproduction** of an entire Article in a reprint collection, or for advertising or promotional purposes, or republication in any form requires permission from APS. Permission must be sought from the Associate Publisher, The American Physical Society, One Physics Ellipse, College Park, MD 20740-3844; email: [assocpub@aps.org](mailto:assocpub@aps.org).

**Other Use:** Permission is granted to quote from the journal with the customary acknowledgment of the source. Permission must be sought from the APS Associate Publisher to reproduce a figure, table, or excerpt of an Article.

Authorization for private use or research does not extend to systematic or multiple reproduction, to copying for promotional purposes, to distribution in any format, or to republication in any form. In all such cases, specific permission from APS must be obtained.

Physical Review Letters [ISSN: 0031-9007 (print), 1079-7114 (online); CODEN PRLTAO; printed in USA] is published weekly by The American Physical Society, 1 Research Road, Ridge, NY 11961-2701.

**POSTMASTER:** Send address changes to Physical Review Letters, APS Subscription Services, Suite 1N01, 2 Huntington Quadrangle, Melville, NY 11747-4502. The 2007 print + online base price is \$2945. Periodicals postage rates are paid at Huntington Station, NY, and additional mailing offices.
