ERRATA

3α + 3α and 3α + 12C Configurations in 24Mg

Y. Hirabayashi, Y. Sakuragi, and Y. Abe

On p. 4142, right column, line 5, the channels 0^+ - 0^+ , 0^+ - 2^− , 0^+ - 0^− , 0^+ - 2^+ should read as 0^+ - 0^− , 0^+ - 2^− , 0^+ - 3^− , 0^+ - 0^− , 2^− - 2^+ , 0^+ - 3^− , 2^− - 2^+ , 0^+ - 0^− , 2^− - 2^+ , 2^− - 2^−.

The name of the last author was incorrectly printed in the original Letter as two names. It appears above correctly as A. J. Rusi El Hassani.

Note that none of the conclusions were affected.

Diffractive Orbits in Quantum Billiards

Nicolas Pavloff and Charles Schmit

The correct Eq. (4) reads as follows:

\[ D_1(\theta, \theta') = -\frac{4}{N} \frac{\sin(\pi/N) \sin(\theta/N) \sin(\theta'/N)}{\cos(\pi/N) - \cos[(\theta + \theta')/N]} \frac{\cos(\pi/N) - \cos[(\theta - \theta')/N]}{\cos(\pi/N) - \cos[(\theta - \theta')/N]} \]  

Note that none of the conclusions were affected.
