Dynamic Properties of Semidilute Solutions at the Theta Point
[Phys. Rev. Lett. 77, 3673 (1996)]

M. Adam, D. Lairez, E. Raspaud, and B. Farago

Equation (2) should read as follows:

\[ S(q, t) = \exp \left[ -(t/\tau_c)^\beta \right]; \quad \beta = 2/3 \quad \text{for} \quad qL > 1. \]  \hspace{1cm} (2)
